Certified

Treasurer of the International Carbon Bank and Exchange®

US CERTIFICATION # 000000426

This certificate represents the retirement of 4.27 tonnes of Carbon Dioxide (CO₂) on behalf of the Nonprofit Center of North Central Florida, 2013 Nonprofit Summit. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to the event organizer, Nonprofit Center of North Central Florida. The certificate represents reductions achieved by the project holder in the Gainesville Regional Utilities (PCA), and Union County based New River Regional Landfill, Florida, USA, used to neutralize emissions generated through facility use incurred as a result of the event.
