US CERTIFICATION # 000000427

This certificate represents the retirement of 800.00 tonnes of Carbon Dioxide (CO₂) on behalf of the Bonnaroo Music and Arts Festival. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to the event operator of the Bonnaroo Music and Arts Festival. The certificate represents reductions achieved by project holders in the Gainesville Regional Utilities Power Control Area (PCA) and Union County based New River Regional Landfill, Florida, USA to neutralize emissions incurred as a result of the event.
