US CERTIFICATION # 00000431

This certificate represents the retirement of 536.00 tonnes of Carbon Dioxide (CO<sub>2</sub>) on behalf of Holbrook Travel, a nature based travel provider. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to the ClimateSafe Service. The certificate represents reductions provided by the project holders in the Gainesville Regional Utilities Power Control Area (PCA), USA, BC Hydro PCA, Canada, and the Province of Alajuela, Costa Rica, through various reduction activities, used to neutralize greenhouse emissions of Holbrook Travelers.
