Certified

  
Treasurer of the International Carbon Bank and Exchange®  
US CERTIFICATION # 00000437

This certificate represents the retirement of 32.36 tonnes of Carbon Dioxide (CO<sub>2</sub>) on behalf of Radius Workshops, a Jacksonville based experiential learning business. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to Louise Freshman Brown and Frederick Brown of Radius Workshops. The certificate represents reductions achieved by the project holder in the Gainesville Regional Utilities (PCA), and Union County based New River Regional Landfill, Florida, USA, used to neutralize aircraft emissions incurred as a result of the travel experience.
