Treasurer of the International Carbon Bank and Exchange®  
US CERTIFICATION # 00000440

This certificate represents the retirement of 10.00 tonnes of Carbon Dioxide (CO<sub>2</sub>) on behalf of Gasparilla Music festival, a Florida based 501c-3 that organizes an annual music festival in downtown Tampa. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to Board of Directors. The certificate represents reductions achieved by the project holder in the Gainesville Regional Utilities (PCA), and Union County based New River Regional Landfill, Florida, USA, used to neutralize emissions generated through facility use and ground transportation incurred as a result of event operations.
