Certified ClimateSafe

Treasurer of the International Carbon Bank and Exchange®

US CERTIFICATION # 000000467

This certificate represents the retirement of 371.00 tonnes of Carbon Dioxide (CO_2) on behalf of the 2013-2014 travel impact of HBT clients to various destinations around the world. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to the organization on behalf of their clients. The certificate represents emission reductions achieved by project holders in the Gainesville Regional Utilities (GRU) service territory, the Union County New River Regional Landfill, Florida, US, and Whistler, British Columbia, CA, used to neutralize emissions generated through travel activities.
A record of this issuance can be found at www.climatesafe.com
