Treasurer of the International Carbon Bank and Exchange®  
US CERTIFICATION # 00000601

This certificate represents the retirement of 1538.50 tonnes of Carbon Dioxide (CO<sub>2</sub>) on behalf of the 2016 travel impact of HBT clients to various destinations around the world. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to the organization on behalf of their clients. The certificate represents emission reductions achieved by project holders Sociedad Green Earth Gardens - Costa Rica, Gainesville Regional Utilities (GRU), US, to neutralize emissions generated through travel activities.
