Certified

Treasurer of the International Carbon Bank and Exchange®

US CERTIFICATION # 000000617

This certificate represents the retirement of 2,962 tonnes of Carbon Dioxide (CO₂) on behalf of the 2018 travel impact of HBT clients to various destinations around the world. The certificate warrants that the creation and assignment of all the emission reduction rights associated with the reduction activities were duly transferred to the organization on behalf of their travelling clients. The certificate represents emission reductions achieved by project holders Gainesville Regional Utilities (GRU), US, Summit Power Corporation, CA, Lee County, US, the District of Nanaimo, CA, and Recyclage ÉcoSolutions inc, CA, to neutralize emissions generated through travel activities.
